PAYPAL SMART CONNECT ACCOUNT AGREEMENT

1. CONTRACT. This Agreement (“Agreement”) is a contract for the extension of credit. It controls your PayPal Smart Connect account. This Agreement includes this document and the following documents:

- The application or any other document you submitted to us in connection with the account; and
- The privacy policy that is enclosed with or attached to this document.

By opening or using your account, you agree to the terms of this Agreement. This Agreement starts when (i) you give us an account application we approve or (ii) you use your account or let someone else use it, whichever occurs first.

2. PARTIES. The parties to this Agreement are you and GE Money Bank. GE Money Bank is located at 170 West Election Road, Suite 125, Draper, UT 84020. GE Money Bank sometimes is called “us”, “we” or “our” in this Agreement.

3. PROMISE TO PAY. You promise to pay us for all credit that we extend on your account, including credit extended when you let another person use your account. You also promise to pay us for all other amounts owed to us under this Agreement.

4. CHANGING TERMS. Subject to the requirements and limitations of applicable law, we may change, add to or delete any of the terms of this Agreement, including the interest rates, fees and charges.

5. GOVERNING LAW. Except as provided in the Dispute and Claim Resolution (including Arbitration) provision, this Agreement and your account are governed by federal law and, to the extent state law applies, the laws of Utah without regard to its conflicts of law principles. This Agreement has been accepted by us in Utah.

6. USE OF SMART CONNECT ACCOUNT. You may use your Smart Connect Account to fund your PayPal Account (“PayPal Account”), that you have established with PayPal, Inc. for payments for goods and services purchased by you with your PayPal Account (“purchases”). You may make purchases up to any credit limit we may establish. We may decline to authorize any purchase or change your credit limit at any time. You may use your Smart Connect Account, and may authorize others to use your Smart Connect Account, only for personal, family or household purposes.

7. CREDIT LIMITS.

A. Assigning Credit Limit. We will assign a credit limit on your account. This is the highest amount of total credit we will extend to you on your account. We may increase or decrease this limit at any time.

B. Exceeding your Credit Limit. We may refuse to authorize you to use your account if that use (including any fees associated with that use) will cause the total you will owe on your account to be more than your credit limit. If we approve a purchase that causes the total you will owe on your account to be more than your credit limit, we do not give up any of our rights under this Agreement and we do not treat it as an increase in your credit limit.

C. Limiting Purchases. We reserve the right to not approve purchases on your account. To prevent fraud, we may also limit the number or dollar amount of purchases you can make in a particular amount of time.

8. INTEREST. This section explains (i) the interest rates that will apply to your account, (ii) when interest will be charged on your account, and (iii) how the amount of interest is calculated. Interest will be imposed in amounts or at rates not in excess of those permitted by applicable law.

A. Rates. The purchase rate applies to purchases. The Annual Percentage Rates (APRs) applicable to your account are shown in the table above and will also be shown on your billing statement.

We calculate interest on the balance of your account each day. We use a daily rate to calculate the interest each day. The daily rate is equal to the APR divided by 365. All of the APRs and the daily rates on your account vary with the market based on the prime rate. The rates applied during a billing cycle are calculated based on the prime rate. The prime rate for a billing cycle is the highest bank prime loan rate published in *The Wall Street Journal* in its Money Rates section on the last business day of the calendar month preceding the first day of the billing cycle.

- 1. Purchase Rate.** The daily rate for purchases is the prime rate plus 23.74%, times 1/365. As of June 1, 2011, the daily rate for purchases was **.07395% (APR 26.99%)**.
- 2. Daily Rates May Vary.** If the prime rate increases, the daily rates (and corresponding APRs) may increase. As a result, interest, your total minimum payment and the number of payments it would take you to pay off your account balance may increase. We will apply any change in the daily rates because of a prime rate change to your entire account balance. A change in the prime rate will take effect on the first day of the billing cycle after the change. We may select a new interest rate index if the prime rate is not available.
- 3. Special Promotional Financing Offer Information.** At times, we may offer you special financing promotions when you use your account for certain transactions ("special promotions"). The provisions of this agreement apply to any special promotion, unless otherwise provided under the terms of the special promotion. Below is a description of certain special promotions that may be offered:

• No Interest if Paid in Full Within 6 Months	For each promotion, if the promotional balance is not paid in full within the promotional period, interest will be imposed from the date of purchase at the APR that applies to your account when the promotional purchase is made.
• No Interest if Paid in Full Within 12 Months	
• No Interest if Paid in Full Within 18 Months	
	At the time your account is opened, this is a variable APR of 26.99% .

All of these promotions work as follows: When you make a qualifying purchase under one of these promotions, no interest will be assessed on the purchase if you pay the following (the "promotional balance") in full within the applicable promotional period: (1) the promotional purchase amount, and (2) any related optional credit insurance/debt cancellation charges. If you do not, interest will be assessed on the promotional balance from the date of the purchase. Minimum monthly payments are required. Regular account terms apply to non-promotional purchases and, after promotion ends, to promotional purchases. We may terminate your participation in any special promotion if you become more than 60 days late on any payment due on your account. If we terminate your participation in any special promotion, each special promotion balance will no longer be subject to the terms of the special promotion. Offers are subject to credit approval. These promotional offers may not be available at all times for all purchases. Please see any special promotion advertising or other disclosures provided to you for the full terms of any special promotion offered.

• No Interest for 6 Months	For each promotion, after the promotion ends, the APR that applies to your account when the promotional purchase is made will apply.
• No Interest for 12 Months	
• No Interest for 18 Months	
	At the time your account is opened, this is a variable APR of 26.99% .

All of these promotions work as follows: When you make a qualifying purchase under one of these promotions, no interest will be assessed on the purchase during the promotional period, but minimum monthly payments are required. Regular account terms apply to non-promotional purchases and, after promotion ends, to your promotional purchases. We may terminate your participation in any special promotion if you become more than 60 days late on any payment due on your Account. If this happens, each special promotion balance will no longer be subject to the terms of the special promotion. Offers are subject to credit approval. These promotional offers may not be available at all times for all purchases. Please see any special promotion advertising or other disclosures provided to you for the full terms of any special promotion offered.

B. When We Charge Interest. We charge interest on your purchases from the date you make the purchase until you pay the purchase in full, except as set forth below:

- We will not charge you interest during a billing cycle on any purchases (i) if you had no balance at the beginning of the billing cycle, or (ii) if you had such a balance, you paid that balance in full by the due date in that billing cycle.
- We will credit, as of the beginning of the billing cycle, any payment you make by the due date that we allocate to purchases (i) if you had no balance at the beginning of the previous billing cycle, or (ii) if you had such a balance, you paid that balance in full by the due date in the previous billing cycle.

C. How We Calculate Interest. During billing cycles in which interest is charged, for each balance type on your account we figure the interest charge on your account by applying the daily rate to the "daily balance" of your account for each day in the billing cycle. A separate daily balance will be calculated for the following balance types: purchases and other balances that are subject to different interest rates, plans or special promotions.

To calculate the daily interest charge, we do the following steps each day for each balance type:

- First, we determine the "daily balance". To determine the daily balance, we take the beginning balance each day, add any new charges and fees posted that day, and subtract any payments and credits posted that day. This gives us the daily balance. Debt cancellation fees, if any, are not included in the daily balance subject to an interest charge. Late payment fees are treated as new purchases.
- Second, we calculate the amount of interest charged. To do this, we multiply the applicable daily rate by each daily balance on your account.
- Third, we add the interest amount to the daily balance, and the sum will become the beginning balance for the following day.

Your interest charge for the billing cycle is the sum of the interest amounts that were charged each day during the billing cycle for each balance type. We charge a minimum of \$1.00 of interest in any billing cycle in which you owe interest and this charge is added proportionately to each balance type.

9. FEES. We charge the following fees. The table at the beginning of this Agreement shows the amount of each fee.

Penalty Fees. A Late Payment Fee if we do not receive at least the total minimum payment due on your account as shown on your billing statement by 5:00 p.m. (ET) on the due date. The amount of the late payment fee will be equal to: (1) \$25 if you have paid at least your total minimum payment due by the due date in each of the prior six billing cycles or (2) \$35 if you have failed to pay at least the total minimum payment due by the due date in any one or more of the prior six billing cycles. However, if the late payment fee would exceed the total minimum payment for which the late payment fee is assessed, the amount of the late payment fee will instead be equal to the amount of the total minimum payment that was due.

10. PAYMENTS.

A. Required Payment and Crediting of Payment. Each billing cycle you must pay at least the total minimum payment by 5:00 p.m. (ET) on the payment due date. You may at any time pay, in whole or in part, the total unpaid balance without any additional charge for prepayment. If you have a balance subject to interest, earlier payment may reduce the amount of interest you will pay. Any payments received after 5:00 p.m. (ET) will be credited as of the next day. We may delay making credit available on your account in the amount of your payment.

B. Minimum Payment. Your total minimum payment will be calculated as shown below. We round up to the next highest whole dollar in figuring your total minimum payment. If your new balance on your billing statement is less than the amount in section 1(a) below, then your total minimum payment will be equal to the new balance. Your total minimum payment will be:

1. The greater of:

- (a) \$25, or \$35 if you have failed to pay at least the total minimum payment due by the due date in any one or more of the prior six billing cycles, or
- (b) the sum of any past due amounts, 1/24th of the new balance shown on your billing statement and any payment due in connection with a specific promotional purchase.

OR

2. If you are charged a late payment fee during a billing cycle, for the next four months, we will make the following calculation each month as long as you make at least the total minimum payment each month as shown in section 1 above. We will calculate if the total of your payments is at least equal to the sum of the following: (A) the interest billed on your statement each month, plus (B) 1% of the new balance shown on your billing statement each month, plus (C) the late payment fee that was assessed in the billing cycle before the four month period. If for the four month period the sum of your payments is not at least equal to the sum of A, B and C, then your total minimum payment for future billing cycles will be the greater of either:

- (a) the minimum payment calculation shown in section 1 above; or
- (b) the sum of:
 - (i) 1% of the new balance shown on your billing statement plus interest and late payment fees charged to your account in the current billing cycle; PLUS
 - (ii) Any past due amounts; PLUS
 - (iii) Any payment due in connection with a specific promotional purchase.

C. How to Make a Payment. To make a payment you must follow all the instructions below and the instructions on your billing statement. If you do not, credit of your payment to your account may be delayed up to five days.

- 1. **Do the following:** (a) make your payment in United States dollars by check, money order, or similar instrument from a bank located in the U.S.; (b) send the payment coupon from your billing statement with your payment; (c) send the payment and payment coupon in the envelope provided with your billing statement to the payment address listed on your billing statement; and (d) send only one payment and one payment coupon in each envelope. Alternatively you may make your payment online at the website address shown on your billing statement, provided you make your payment in United States dollars from a bank located in the U.S.
- 2. **Do not do the following:** (a) staple, paper clip, tape or fold your payment or payment coupon; (b) include any other papers or items with your payment; or (c) send us cash.

D. Other Ways to Make a Payment. We may allow you to make payments over the phone as an accommodation to you, but we may charge you a fee to do so.

E. Disputed Amounts. If you send us correspondence about a disputed amount, you must send it to the address for billing inquiries shown on your billing statement. You may not send it to the payment address shown on your billing statement. By “disputed amount”, we mean a payment of less than the full balance on your account that is labeled as “payment in full” or similar language, or is given to us as full satisfaction of a disputed amount, or is given to us with other conditions or limitations. We may accept these types of payments without giving up any of our rights.

F. Authorization. When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

G. Payment Allocation. We reserve the right to select the method by which the required minimum payment is allocated to different balances on your account. Some or all of the required minimum payment on your account will be applied to lower APR balances before higher APR balances. The payment allocation method that we use may result in higher interest on your account or reduced savings attributable to any special promotions. Any payment you make in excess of the required minimum payment will be allocated to balances with higher APRs before balances with lower APRs, unless applicable law requires or permits otherwise (such as when your account has a certain type of special promotion).

- Make a late payment;
- Do not follow any other term of this Agreement; or

We will charge these costs only if the attorney we ask to collect is not our salaried employee and the law allows us to do so.

21. DISPUTE AND CLAIM RESOLUTION (INCLUDING ARBITRATION) PROVISION.

General/Requirement to Arbitrate. PLEASE READ THIS PROVISION CAREFULLY. UNLESS YOU SEND US THE REJECTION NOTICE DESCRIBED BELOW, THIS PROVISION WILL APPLY TO YOUR ACCOUNT, AND MOST DISPUTES BETWEEN YOU AND US WILL BE SUBJECT TO INDIVIDUAL ARBITRATION. THIS MEANS THAT: (1) NEITHER A COURT NOR A JURY WILL RESOLVE ANY SUCH DISPUTE; (2) YOU WILL NOT BE ABLE TO PARTICIPATE IN A CLASS ACTION OR SIMILAR PROCEEDING; (3) LESS INFORMATION WILL BE AVAILABLE; AND (4) APPEAL RIGHTS WILL BE LIMITED. This Provision replaces any existing arbitration provision with us and will stay in force no matter what happens to your Account, including termination.

Upon demand, and except as otherwise provided below, you and we must arbitrate individually any dispute or claim between you, any joint cardholder and/or any additional cardholder, on the one hand; and us, our affiliates, agents and/or PayPal, Inc., on the other hand, if the dispute or claim arises from or relates to your Account. However, we will not require you to arbitrate: (1) any individual case in small claims court or your state's equivalent court, so long as it remains an individual case in that court; or (2) any claim by us that only involves our effort to collect money you owe us. However, if you respond to a collection lawsuit by claiming that we engaged in any wrongdoing, we may require you to arbitrate.

YOU AGREE NOT TO PARTICIPATE IN A CLASS, REPRESENTATIVE OR PRIVATE ATTORNEY GENERAL ACTION AGAINST US IN COURT OR ARBITRATION. ALSO, YOU MAY NOT BRING CLAIMS AGAINST US ON BEHALF OF ANY CARDHOLDER WHO IS NOT A JOINT OR ADDITIONAL CARDHOLDER WITH YOU ON YOUR ACCOUNT (AN "UNRELATED CARDHOLDER"), AND YOU AGREE THAT NO UNRELATED CARDHOLDER MAY BRING ANY CLAIMS AGAINST US ON YOUR BEHALF. CLAIMS BY YOU AND BY AN UNRELATED CARDHOLDER MAY NOT BE JOINED IN A SINGLE ARBITRATION. Only a court may decide whether any part of this paragraph is enforceable. If it is finally determined that this paragraph is not fully enforceable, only this sentence of the Provision will remain in force and the remainder of the Provision will be null and void, provided that the court's determination concerning the enforceability of this paragraph shall be subject to appeal.

Starting an Arbitration. If you or we elect to arbitrate a claim, the electing party must notify the other party in writing. This notice can be given after the beginning of a lawsuit and can be given in papers filed in the lawsuit. Otherwise, your notice must be sent to GE Money Bank, Legal Operation, P.O. Box 29110, Shawnee Mission, KS 66201, ATTN: ARBITRATION DEMAND and our notice must be sent to the most recent address for you in our files. The party seeking arbitration must select as the arbitration administrator either the American Arbitration Association ("AAA"), 1633 Broadway, 10th Floor, New York, NY 10019, www.adr.org, (800) 778-7879, or JAMS, 620 Eighth Avenue, 34th Floor, New York, NY 10018, www.jamsadr.com, (800) 352-5267. If neither the AAA nor JAMS is able or willing to handle the dispute, then the parties will resolve their dispute in court.

The arbitration administrator will appoint the arbitrator and tell the parties what to do next. The arbitrator must be a lawyer with at least ten years legal experience. In making decisions or awarding remedies, the arbitrator must apply the same law and legal principles that would apply in court, but may use different procedural rules. If the administrator's rules conflict with this Provision, this Provision will control.

Arbitration Location and Fees. The arbitration will take place by phone or at a location reasonably convenient to you. Upon your request, we will normally pay all the fees the administrator or arbitrator charges, if we believe you are acting in good faith. We will always pay these arbitration costs, as well as your legal fees and costs, to the extent required under applicable law or in order for this Provision to be enforced.

Governing Law. This Provision is governed by the Federal Arbitration Act (the "FAA"). Utah law shall apply to the extent state law is relevant under Section 2 of the FAA in determining the validity of this Provision. The arbitrator must follow: (1) the substantive law, consistent with the FAA, that would apply if the matter had been brought in court; (2) this Provision; and (3) the administrator's rules. The arbitrator's decision will be final and binding, except for any appeal right under the FAA. Any court with jurisdiction may enter judgment upon the arbitrator's award.

Rejecting this Provision. You may reject this Provision, in which case only a court may be used to resolve any dispute or claim. Rejection will not affect any other aspect of the cardholder agreement. To reject, you must send us a notice within 60 days after you open your account or we first provide you with a right to reject this Provision. The notice must include your name, address, and account number and be mailed to GE Money Bank, P.O. Box 965012, Orlando, FL 32896-5012. This is the only way you can reject this Provision.

22. WAIVER. We may decide to give up any of our rights under this Agreement. This includes our right to impose the full amount of any charge. If we do, we do not give up any of our other rights under this Agreement. If we give up any of our rights in one situation, we do not give up the same right in another situation. Except as we may agree in a signed writing, we do not give up any rights if we (a) accept a late or partial payment, (b) accept a check or other payment marked "payment in full" or tendered with other conditions or limitations, (c) extend the due date of any payment due under this Agreement, and/or (d) release any collateral or person responsible for your obligations under this Agreement.

23. ASSIGNMENT. We may sell, assign or transfer any or all of our rights or duties under this Agreement or your account. This includes our rights to payments. We do not have to give you prior notice of such action. You may not sell, assign or transfer any of your rights or duties under this Agreement or your account.

24. SEVERABILITY. If any part of this Agreement is found to be void or unenforceable under applicable law, all other parts of this Agreement will still apply.

25. PAYPAL ACCOUNT. You are not required to apply and/or have a Smart Connect Account in order to have a PayPal Account, but you must have a PayPal Account in good standing in order to apply and/or have a Smart Connect Account. If your PayPal Account is suspended, limited or closed for any reason, including but not limited to, a breach of any of the terms of the PayPal Account user agreement, then you understand that you will not be able to use this Smart Connect Account. In addition, if you are in default under this Agreement, then your PayPal Account may be suspended or canceled at PayPal, Inc.'s sole discretion.

26. ASSIGNMENT OF RIGHTS IN CERTAIN FUNDS HELD BY PAYPAL. If you obtain a credit from us for any purchase, you agree that effective as of the time when such credit is issued, you will be deemed to have transferred to us any of your rights or interests in any funds held by PayPal for your benefit or otherwise, that resulted, directly or indirectly, from such purchase.

27. ENTIRE AGREEMENT. This Agreement, along with the other documents listed in Paragraph 1 above, are the entire Agreement between you and us relating to your account. These documents replace any other agreement relating to your account that you and we made earlier or at the same time. This Agreement may not be changed except as provided in this Agreement.
